

## PSRH RESEARCH AWARDS APPLICATION FORM

PSRH offers ten Research Awards per annum to assist research capacity building in reproductive health in the Pacific region. Each award is to the value of NZ\$500 and can be used to develop a larger research proposal or for paying expenses in performing a clinical audit. Where the awards are over-subscribed, priority will be given to projects that have part-funding from another source.

The criteria are:

1. The Principal Investigator (PI) is a financial member of PSRH
2. The PI has ready access to the internet and a computer
3. The project addresses a priority area/service
4. Have the support of the Head of Unit/Ward/Service/Hospital
5. Sound research/audit application and methods
6. A research team (2-7 members) will perform the project with one member having performed research before
7. Take no more than two years to complete
8. Findings to be published in the Pacific Journal of Reproductive Health
9. The application must be typed with referencing where appropriate

## APPLICATION FORM

**Project Name:**

**Name of Principal Investigator:**

**Names of research team members:**

**Background:**

**Why is it a priority?**
